## *The* ANNOUNCEMENT

---

It is with regret that I invite my fellow Shorthorn breeders and other cattlemen to this my final dispersion sale. The past two years my health has been failing; I am no longer able to care for these cattle as I would like and so am forced to sell them all.

I would like to call your attention to the pedigrees between the covers of this catalog, and the families represented. If it were not that I can no longer look after them, I would never think of parting with these fine breeding females, as I have retained only the very best for years in this small select herd. It is doubtful if there is a herd carrying as much Cruickshank breeding, representing the most popular families.

A word about the bulls back of this herd, Cumberland Dictator, who many can remember, Gainford Secret, Melbourne Rodney, and selling is the present herd bull, Helfred Brilliant, all bulls from well known bloodlines, so that any one who buys has good assurance of getting cattle that will improve their herds.

These cattle have not been pampered, and their new owners will find that they are the thickfleshed easy feeding type of cattle which will give a good account of themselves under practical farm conditions.

E. E. OWENS

Inasmuch as my uncle's herd is not large enough to make the usual number for a sale offering, he has asked me to consign some cattle to his sale. We have selected cattle of various ages in order that the buyers may have a good selection. With the exception of the herd bulls we have refrained from writing any footnotes, and will be glad to answer any questions concerning the cattle on sale day. We have chosen cattle from most of the families represented in our herd.

With prices of all commodities advancing daily, cattle bought now will look cheap a month or a year hence. With present crop conditions there could be no better time to invest money in cattle; and it is with a great deal of pride and confidence in their value that we present this offering for your approval. We cordially invite all those interested in good Shorthorns to be with us Tuesday, Sept. 9th.

H. K. Owens.

## TERMS and CONDITIONS

---

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

We will not be responsible for any accident which may occur but we will use every precaution to provide for the comfort and safety of our guests.

**PEDIGREE CERTIFICATES**—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and each unborn calf sold in dam.

**BIDS**—Those wishing to buy who cannot be present may leave with, or send their bids to Clinton Tomson of the Shorthorn World; to J. E. Halsey of Wallace's Farmer, to Tom Sherlock of the Corn-Belt Dailies.

Lunch will be served on the grounds by ladies of a local church organization.

**Gainford Marshal 1882337**—Is the bull we have recently acquired to use on the daughters of Princeton Paragon. Critical cattlemen who are familiar with him and his get are loud in his praise. We regret that we do not as yet have a picture of this bull to show you his very short-legged compactness. He is a modern type, deep red in color, has a strong impressive head with bold bright eye and an excellent horn. He has a thin pliable hide; is covered with an abundance of smooth mellow flesh, and is exceptionally smooth at the hooks and tailhead. The record of his calves and of his brothers and sisters prompted us to buy him and we feel that he will not disappoint us as a sire. A limited number of females in this sale are bred to him.

**Helfred Brilliant 1882829**—Was purchased at the 1937 Helfred Farms Sale just prior to the American Royal Show, at which he headed the senior bull calf class over an exceptionally strong showing. A son of the noted First of All, he represents an intensive concentration of Rodney blood and ranks in individual merit with the best bulls in the country. He is very active and a sure breeder. His disposition is the best and his calves have an abundance of bone and substance and are of excellent colors. This will be an opportunity to buy a tried sire just in his prime and with years of usefulness ahead of him.

**Princeton Paragon 1907950 =224740=**—Is a dark evenly colored roan by the International winner Bapton Orator, purchased from the famous E. P. Ranch, owned by H. R. R. The Prince of Wales, in Canada. This bull is especially impressive in his extreme depth of body, thickness of fleshing, and general smoothness; especially over the tail-head. A vigorous calf with flat bone and plenty of substance, he has developed into a sire of cattle of the same stamp and his calves are a glowing tribute to his great value as an improving sire. He is sure and active and his disposition is of the best. He would not be for sale but for the fact that we are retaining a large number of his daughters in the herd.
